## HOLY WEEK AND EASTER 2019

Holy Week and Easter stand at the heart of the life of the Church and our Christian faith. I warmly invite you to join us at St Luke's for one or more of our services as we unfold the story of the events of the first Holy Week and Easter.

Easter is central to our faith and our worshipping life, with the services of Holy Week taking us through the events leading up to the resurrection. We move from the hosannas of Palm Sunday to the intimacy of Maundy Thursday towards the betrayal and rejection of the crucifixion on Good Friday and the anticipation of Holy Saturday.

This leads us into Easter itself - a time of new life and new beginnings. The barrenness of Holy Week becomes the new life of Easter, found in Jesus' resurrection and his triumph over death.

Easter is about transformation, brought by the resurrection, changing the world and changing us through the cross and the empty tomb.

That transformation is open to us all, so join us, hear the story afresh and celebrate with us.  
You would be very welcome.
