

St Luke's *Food for Thought* Talks

2020/21 Series

Delivery via Zoom – Accessible via the internet and telephone

We hope you will enjoy this winter's *Food for Thought* series of Talks. They comprise subjects that impact our lives – either directly or indirectly through families and/or neighbourhoods. We are fortunate that extremely knowledgeable and experienced people have offered to speak to us. They will teach us and help us consider, or perhaps reconsider, how we as individuals and groups can react to the challenges confronting us and society.

Please put the following dates in your diaries for events that will start at 7.45pm:

Nov 6	Challenges faced by our young	Andy Watson
Jan 8	Climate Change: Global Crisis to Local Solutions	Dr Mark Johnson
Feb 5	Challenge of LGBTQ	Dr Lori Bisbey
Mar 5	Liberation or revolution theology?	Garth Hewitt

St Luke's will be hosting these events this winter on Zoom. This requires the cooperation of the speakers and most importantly you, the audience.

The Zoom Meeting Room will open at 7.45pm, the Talk will start at 8pm and you will have an opportunity to discuss some of the issues raised by the Talk.

To participate please send an email to peter.ashwell@btinternet.com or telephone him on 01732 461087 so that you receive the relevant information needed to be able to listen to the Talks and engage with the Speakers via Zoom.

Please tell your friends about these talks and invite them to email for details.
